

SCoRE Standards – Client Testing

Corporate Actions – ISO 15022

Testing Registration Form for clients

Dear Sir or Madam,

With this registration form, Clearstream Banking AG (CBF), Clearstream Banking S.A. (CBL) and LuxCSD intend to collect information for the preparation and setup of the *SCoRE Corporate Actions Standards – ISO 15022* client testing. The services and functionalities which are tested are similar for CBF, CBL and LuxCSD. Clients can choose on which accounts they want to use the service as long as the securities are eligible to be held in this account structure. After a successful registration, clients can test the connectivity and the functional message exchange with Clearstream.

Clients wanting to participate in the testing need to provide the completed Test Registration Form to:

ECMS.Programme@clearstream.com

By 31 January 2024

Registration forms received after this date can be processed on a best effort basis only. In this case, Clearstream cannot guarantee that all submitted data will be reflected in the test environment at the beginning of the testing period.

For more specific details about the test environment and for detailed description of test scenarios, please refer to the test guide that will be published in due course.

Should you have further questions please do not hesitate to contact us.

Thank you very much in advance for your replies and support.

Kind regards,
ECMS Client Readiness Team

The information contained in this form will be processed internally with the aim of ensuring proper system setup, to allow the client to smoothly initiate the testing session.
